We must not think of learning as only what happens in schools. It is an extended part of life. The most readily available resource for all of life is our public library system.
- David McCullough

There is not such a cradle of democracy upon the earth as the Free Public Library, this republic of letters, where neither rank, office, nor wealth receives the slightest consideration.
- Andrew Carnegie

Whatever the cost of our libraries, the price is cheap compared to that of an ignorant nation.
- Walter Cronkite

The best thing about the library is that it is available not only to me, but to everyone. It does not discriminate. It makes itself available to those who want to use it.
- David Horowitz
