Teen Box Project for Foodshelves

Creating a Celebration in a Box

Ask teens to bring:

- Sealed cake mix
- Can of frosting
- Box of candles
- Paper plates
- Napkins
- Party hats
- Small books or toys
- Balloons
- Baking pan
- Sprinkles

Provide teens with cake boxes or small boxes and decorating supplies:

- Glitter pens
- Ribbon
- Glue
- Tissue paper
- Collage materials
- Stickers
- Markers & crayons
- Stamps
- Scissors

Turn on some music, have plenty of room to spread out, some snacks, and spend a fun afternoon with your teens decorating and filling cake boxes.

Alert the media for some publicity and deliver the boxes to the foodshelf.

This idea came from author Debra Frasier and was inspired by her book *"A Birthday Cake Is No Ordinary Cake"*. Check out her website www.debrafrasier.com for more inspiration and downloadables.
