Bus Stops (Gomi)

Noses (Whittaker)

Rain (Stojic)

Feely Bugs (Carter)

Whose Nose Is This? (Lynch)

Lunch (Fleming)

Activities: Identify Sounds (cd player and sound effects cd)

Smelling Mysteries (film canisters with holes punched in lids—various items inside)

What's Missing? (pictures with pieces missing—e.g. an arm from a man)

Fingerplays:

Sound Song (tune: Did You Ever See a Lassie?)

Did you ever hear a bell ring,

A bell ring, a bell ring?

Did you ever hear a bell ring?

Ding, dong, ding, dong.

Did you ever hear some laughing...

Did you ever hear the wind blow...

Did you ever hear a car horn...

Did you ever hear some crying...

Touch

Touch your nose, touch your chin, that's the way this game begins.

Touch your eyes, touch your knees, now pretend you're going to sneeze.

Touch your hair, touch one ear, touch your two red lips right here.

Touch your elbows where they bend, that's the way this touch game ends.

The Five Senses (tune: Twinkle, Twinkle Little Star)

If a bird you want to hear,

You have to listen with your ____ (ear).

To see an airplane as it flies,

You must open up your ____ (eyes).

To smell a violet or a rose,

You sniff the fragrance through your ____ (nose).

When the dinner bell has rung,

You can taste things with your ____ (tongue).

Cotton, velvet and rough sand,

Feel those things using your ____ (hand).
